Fly to Rum Cay (MYRD 27 NM)

The new airstrip on Rum Cay has been completed by the Bahamas Government. The smooth, sand-finished, paved runway is 4500 feet long and 100 feet wide. Wide borders have been cleared and it is fenced in to keep the wild cattle off the runway.

Rum Cay, is located 27 NM miles southwest of San Salvador.

The main settlement composed of under 100 residents is Port Nelson, a picturesque village lying among coconut groves.

Our hosts: Bobby and Billy Little owners of Summer point Marina.
