It is a GO !!! Insurance, Seneca qualify., passport, Visa, a bag and I am gone FLYING ! I have been confirmed as part of the Piper Seneca II team and co-pilot IFR support to Juan Francisco Asenjo from Montreal, Canada.

I'm from Guadeloupe. I lived in Montréal for 3 years during which I took my CPL ME IR and finished last September at Air Richelieu flight school. I have 205h total time, 110 PIC, 50h night, 22h instruments and 16h ME. I'm about to get my FAA commercial pilot license. Coming onboard the Caribbean air Challenge will help me build my hours.

I want to thank Aviation Connection for giving me this opportunity and of course Juan Francisco Asenjo from Montreal for accepting me onboard his beautiful piper Seneca and for being my Mentor.
